雲端數位學習書牆：漫步書海，恣意學習！

走進圖書館，諾大的雲端數位書牆陪伴大家多個年頭；圖書館不斷思考，讓這座吸睛的設備能更進化更融入北醫特色。隨著校區擴大，圖書館致力於提供北醫體系同步的虛實整合 All-in-one 圖書資訊服務。為此，圖書館規劃建置雲端數位學習書牆網站，讓原有雲端數位書牆不再只是展示單一平台電子書的設施，更是結合人流數據及二氧化碳即時環境資訊、最新消息、新進資源、熱門排行及數位學習資源的網站平台，以更多功能且嶄新的面貌為大家服務。不論是親臨圖書館或是透過網路連結至雲端數位書牆頁面，均可無遠弗屆的漫步雲端書海，恣意學習。

雲端數位書牆嶄新登場

自 105 學年度下學期，信義校區圖書館大廳設置雲端數位書牆，運用六台 55 吋 LED 互動螢幕拼接牆面，組成大型數位書牆意象。這次的改造計畫經過多方觀摩、討論及規劃，最後決定以「整合多元數位學習資源」、「北醫體系同步資訊推播」和「充實專業數位學習資源」為主軸；介面設計融入北醫體系特色建築意象與各類讀者，配色採舒適柔和色調，避免螢幕過度炫目。雲端數位書牆於 112 學年度 4 月嶄新登場，並於圖書館網頁及各實體空間正式上線，歡迎體驗。

不只是書牆，更多功更豐富

改造後的雲端數位學習書牆呈現新進資源、熱門排行、數位學習等資源，其中數位學習內含：休閒電子書、學術電子書、教授指定用書、北醫人書坊及醫學人文等資源，各類書籍不斷輪播展示；點入有興趣的書籍頁面後，頁面呈現書籍基本資訊及 QR code，透過行動載具掃描 QRCode 即可快速指引至館藏，與館藏偶遇不錯過。此外，網站亦結合人流數據及二氧化碳即時資訊，隨時掌握館內環境情況，並透過最新消息功能，輪播北醫體系圖書館推廣活動、講座課程等資訊，讀者入館同時就能掌握重要訊息。全新的雲端數位學習書牆以視覺化的動態效果，

展示圖書館多樣化的學習資源，賦予雲端數位學習書牆新生命與探索學習新契機。

Happy learning from Cloud Digital Learning Book Wall

The Cloud Digital Learning Book Wall located in the TMU library has accompanied everyone for many years. The library is constantly looking at how to further evolve and integrate this huge and eye-catching equipment into the features of TMU. As the TMU campus expands, the library is committed to providing an all-in-one integrated digital and physical library information service. To achieve this, the library plans to build a cloud digital book wall, which will no longer be just a facility that displays eBooks on a single platform, but also a website that combines the surrounding dashboard and CO₂ concentration, the latest news, new arrivals, popular rankings, and digital learning resources, serving everyone with more functional and innovative features.

The Cloud Digital Learning Book Wall

The TMU Library has established the Cloud Digital Learning Book Wall in 2017 at the entrance to the library lobby. With the reform, "Integrating Multiple Digital Learning Resources", "Synchronous Information Promotion of TMU " and "Enriching Professional Digital Learning Resources" as a purpose, the interface integrates the characteristic architecture of the TMU and various readers. New version of the Cloud Digital Learning Book Wall will be launched this coming April.

A new look with more functions

The brand-new Cloud Digital Learning Book Wall contains Including new arrivals, a popular list, digital learning resources, general e-books, professional e-books, course reserves, TMU collection, medical humanity, and so forth. After clicking on a book of interest, you get the basic book information via QR code. Moreover, the website combines the surrounding dashboard and CO₂ concentration, which can

also show the latest news, which can promote library events, courses, and lectures. The brand-new Cloud Digital Learning Book Wall displays the library's diverse learning resources with visual dynamic effects, giving the cloud-based digital learning wall to explore new opportunities for learning.
