

Upload operation for the Lecturer Research Index System for the 2020 academic year (Deadline: 2021/2/1)

1/6/2021 1 研發處

To cooperate with the lecturer-assessment process executed by the human resources department for the 2020 academic year, the Office of Research and Development will assist by compiling and reviewing the research results of full-time lecturers. Please login to the Lecturer Research Index System (<http://rdsys.tmu.edu.tw/rpi/>) to upload or update your information.

In order for foreign teachers to fill in the renewal information correctly, the college manager / secretary will be requested to assist.

The system is open **from today until 5:00 pm on 2021/02/01 (Monday)**. To protect your rights and interests, please upload your **research results from the past 5 years (2016/1/1 to 2020/12/31)**; access to the system will be denied after the deadline.

Please note that the system only supports Internet Explorer.

© Notes:

(1) Members of the following colleges should complete Forms A and B: College of Medicine, College of Oral Medicine, College of Pharmacy, College of Nursing, College of Public Health, College of Medical Science and Technology, College of Biomedical Engineering, and College of Nutrition.

(2) Members of the following colleges should complete Forms A and E: College of Humanities and Social Sciences, Center for General Education, and College of Management.

1. **Forms B and E use research credits as the calculation criteria according to the Lecturer Assessment Method: Research and Industry-University Quantitative Assessment Items.**
2. This system is handled in accordance with the form-filling instructions of **Forms AB and AE of 2020/12/09** (For score calculation standards, please refer to the implementation directions for lecturer promotion in academic research).
3. Please maintain your publications in the [Lecturer Research Directory System](#).
4. Please update your **personal information form, contact information** (personal contact and phone numbers), and **research experience**.
5. Please upload your **number of research papers, research results**, and **awards** for the past 5 years in Form A (**click save if no information requires updates**).
6. Research results must be saved in **Form B or E** by clicking the “**Modify**” and “**Save**” buttons for each paper to update the latest ranking and the patent or

technology transfer scores of SCI and SSCI journals.

7. Please manually delete papers, patents, technology transfer materials from 2015 and before. To add new articles, please use the “**New Articles**” tool.
8. The corresponding author and author ranking information for journal articles should be completed, and the number of corresponding authors and number of co-authors should be provided for author ranking.
9. Patents are calculated based on the **date of certification**.
10. Technology transfers are subject to the **contract date**; the **technology transfer fee is calculated according to the actual amount received**.
11. Pdf files of articles, patent certificates, and technology transfer contracts must be uploaded for the research results in Form B or E.
12. If all the information in the system is complete and correct, **please return to the homepage and click “Submit”** to finalize the uploading operation.
