Interlibrary Collaboration GO — Expanding Access to Resources!

Taipei Medical University Library collaborates with university libraries to provide the Interlibrary Loan Service, promoting cross-campus borrowing, resource sharing, and broader access to academic resources. Through different service channels, users may request borrow-and-return services on their behalf or visit partner libraries to borrow and return books (as shown below). Please note that the Interlibrary Loan Service applies to physical books only and does not include electronic or audiovisual resources.

USTP

»» Go to NTUT, NTPU, NTOU

- Access & Borrow with Your TMU ID card.
- USTP Library Resource Sharing Platform
- Borrow & Return on Your Behalf
- Capacity Limits in Effect During NTUT Exam Week
